# Why Choose Us?

---

## Exceptional Service

- We deliver great service and exceptional value. We have earned a consistent 5-star rating, reflecting our commitment to excellence.

## Quality & Performance

- We offer a range of top-tier product choices. Our installations feature exclusively high-quality equipment & cables.

## Responsiveness

- We prioritize responsive communication at every stage of our collaboration, ensuring clarity from project discussions to service delivery.

## Customization

- We tailor our solutions to meet your specific needs and requirements, ensuring optimal performance and your satisfaction.

## Aesthetics

- Every detail matters. We do our job in a way that is not just functional, but also visually appealing. We make sure you do like the result.

## Reliability

- We emphasize delivering on our promises. Our top quality equipment and dependable service ensure that you can rely on us.

## Cost Efficiency

- We provide effective designs and competitive prices, ensuring optimal value for your requirements.

## Safety & Insurance

- Clever Cabling Inc. is registered with Workplace Safety and Insurance Board of Ontario and possesses current \$2,000,000 Liability Insurance.

# Project Description

---

- Provide and install 4ch NVR and 4x Security Cameras;
- Use white UTP Cat5E cable for all new camera runs;
- Conceal cables where possible;
- Properly insulate all the holes drilled to the outside;
- Setup customer phone app;
- Provide Demonstration and Training for Live View, Playback and Data Export.
